

Flower Frenzy

For a lighthearted read brimming with eye-candy, add-to-cart Cathy B. Graham's newest title, *Full Bloom*. The perennial artist (she has a BFA in painting), entertainer and gardener is back with a perfectly packaged collection featuring her latest flower arrangements and cheerful table settings accompanied by helpful how-tos, playful collages and personal illustrations. The overarching takeaway? There's a reason—and a season—to celebrate just about anything. cbgraham.com
